18/02234/OUT Outline - Dwelling (revised plans)

4th July 2020

Dear Sir / Madam,

Notification has been received that the plans for the above listed dwellings have been revised. The Exeter Cycling Campaign have reviewed the revisions and cannot see any changes to cycle parking provision and would therefore will continue to object to this outline planning proposal.

As per our original objection, if secure and high-quality cycle parking can be included in the plans we will happily remove our objection to this outline planning application.

Kind regards,

Alex Tait
